PROFILE

Experienced Web Developer with 4+ years in MERN, MEVN, and PHP Laravel. Strong frontend skills, passionate about creating user-friendly websites and applications. Collaborative team player, always ready to take on new challenges and contribute to the success of projects and teams.

EXPERIENCES

2020 SQI College of ICT, Ibadan, Nigeria.
Instructor

- Taught courses in frontend web development, including JavaScript, HTML, CSS, and related technologies
- Facilitated hands-on coding projects and group exercises to help students build practical skills and apply theoretical concepts.
- Developed and updated course materials, including lesson plans, presentations, and assignments, to keep pace with industry trends and best practices

2021 Freelance MERN Stack Developer

- Worked with clients to understand project requirements and deliver customized solutions using Next.js and MERN stack technologies
- Designed and implemented responsive and user-friendly interfaces using HTML, CSS, and JavaScript frameworks such as React and Redux
- Built scalable and efficient backend systems using Node.js, Express.js, MongoDB, and other related technologies
- Collaborated with other developers and project stakeholders to ensure timely delivery of high-quality work
